Encouragement through mentoring—Have you ever found yourself stuck and in need of good advice? Thanks to *Presbyterians Sharing*, ministers and ministries across Canada are receiving the encouragement and guidance they need to thrive through a variety of coaching networks. Programs such as the New Church Development Coaches and the Social Mentor Network bring direct support to ministries by matching them with trained coaches who provide guidance and support. Whether getting a new church start off the ground or navigating the challenges of managing a church-based outreach mission, coaches help leadership teams hear where God is calling them and equip them with the tools needed to follow God's call. In 2018 Canadian Ministries will pilot two new coaching programs in the area of evangelism and congregational renewal!
