

Ecumenical Campus Ministry

- Mission:** To provide discipleship programs and worship gatherings to the over 24,000 young people who call UofG home.
- Location:** 206 Raithby House, University of Guelph 50 Stone Road E.
Guelph, Ontario N1G 2W1
- Website:** www.ecmguelph.org
- Ministry:** ECM provides pastoral support to staff and students, leadership development opportunities for church leaders both on and off-campus, and is an important link between the UofG campus and local faith communities. ECM is a vibrant community of faith that adds an important perspective to the on-campus learning community at one of Canada's most reputable universities.
- Involvement:** Rev. Andrew Hyde is the chaplain at University of Guelph and he was recently assisted Ebenezer United Church in starting a youth program. He also preached at our Canada Day worship service in 2018. Last year, Reuben led worship for the ECM and met some of the students who are involved.
- Needs:** ECM is supported by Presbyterians Sharing but they also raise support through other fundraising events. They are also in need of individuals to serve on their board. Other support could include providing meals for their worship gatherings or hosting fundraising events.
