

Milton Area Christian Churches Working Together

Milton Area Christian Churches Working Together

- Mission:** As a grassroots ecumenical body representing the Christian churches in the Milton area, our aim is to work cooperatively with common objectives, to support each other, to provide opportunities for greater service to our community, to grow together in our faith, and to be a loving witness for Jesus Christ.
- Location:** Box 489 – 420 Main Street East
Milton, Ontario, L9T 5G3
- Website:** <http://www.miltonchristianchurches.ca/>
- Ministry:** One of the major programs of the MACCWT is “On the way to Bethlehem” which is a live nativity at Country Heritage Park on the last weekend of November. MACCWT also does a Christmas dinner for Food Bank patrons, advertising for member churches and other smaller projects proposed by member churches. MACCWT was also the founding organization of Milton Transitional Housing.
- Involvement:** NPC is a long-time member of MACCWT and has been involved in “On the way to Bethlehem” since it began. A large number from the congregation volunteer and give to the nativity each year and we participate in their Bowl-a-thon to raise funds to rent animals for the nativity. We also have representatives who go to MACCWT meetings throughout the year.
- Needs:** MACCWT continues to rely on the support of congregations like NPC to help with the nativity. They need about 500+ volunteers to run the event as well as funding toward costumes and rentals.
