- Ministry:** The activities of the Townsend Smith Foundation centre around raising funds to build a palliative care centre in Milton. Land has been allocated by the town for this project. The foundation also provides awareness events for the community related to the need for palliative care and advanced care planning.
- Involvement:** Last year, a couple of elders attended an information session about advanced care planning at Knox Presbyterian in Milton hosted by the foundation. Since then, we have received updates on their work and in November a request was made to share with the congregation the need for palliative care in Milton/Halton Hills. Lauraine Andrews will be attending worship and Soup Sunday on February 2 and during lunch she will share about the work of the foundation.
- Needs:** The foundation needs donations to reach their fundraising goals and there are a number of ways you can give. There are also other ways to support the foundation including advocacy, volunteering or hosting events to benefit the foundation.
