

Week of Guided Prayer

Rocking & Rolling with God! At first blush this may sound like an odd theme for a spiritual retreat. Rock & Roll has most often been associated with a lifestyle that is anything but spiritual. However, the Bible is full of stories of Rock Stars and those who have lost their way. The story of the Prodigal Son reminds us that sometimes we have to be truly lost in order to find ourselves and make our way home.

Rocking
& Rolling
with God

Rock & Roll also reminds us that God is present in all places and at all times – especially in the most unlikely of places. Jesus was often accused of sharing a table with the prostitutes and sinners – because he did. Throughout this week of guided prayer, you are invited to explore where God is present in the everyday places of your life and how God can be for us the foundation and cornerstone of our lives.

**Our Week of Guided Prayer is focused
on enabling participants to attend a prayer "retreat"
while still maintaining their normal daily routine.**

Commitment to this Week of Guided Prayer involves spending 30 minutes praying scripture at home, and then meeting by phone, online or in person for another 30 minutes with a "prayer companion" each day of the retreat week, from Monday to Friday.

***The opening two-hour Zoom session will begin at
2:00 p.m. on Sunday, October 25,
and will include instruction on praying scripture.
The closing two-hour Zoom session will begin at
9:00 a.m. on Saturday, October 31.***

*This is an opportunity for you to grow with God
through private personal prayer and sharing with a companion.*
