NPC In-Person Sunday School has resumed for 2022/23.

We hope to see the young people from our congregation back with us and hope to welcome

new friends and neighbours. I am sure we won't recognize some as they will have grown a lot in 2.5 years. Here are the details of our Sunday School program this fall: We will be using the Spark House curriculum called "Holy Moly". This is the same as the funny kids' video's that are shown in the service sometimes for children's time. The kids will leave for Sunday School after Children's time. They will meet as one group and go through the lesson for the day. This gives them an opportunity to hear the scripture reading for the lesson, think about how it applies to our daily lives and interact with each other. We hope you will join us! Blessing of the Backpacks on September 25.
